

Click Me First

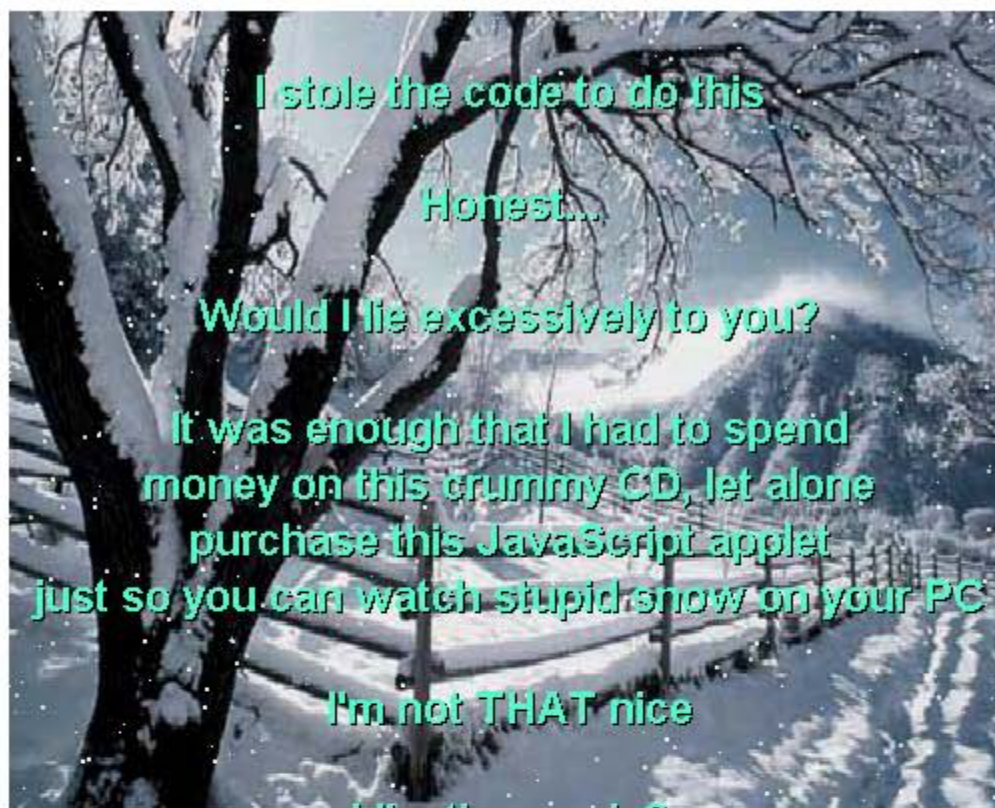

Click here second after you're done fumbling around with the button above this button..but notice that there is a sub-menu below that link so this really won't be the second click, it'll be the third click, so...
...oh forget it, my head is hurting...
Come to think of it, I really don't care if you click here or not. Go click on some other button. Try Rod's...that'll be a thrill for you
